Parade Line-Up instructions

The 2020 Fourth of July Wet 'N Dry Parade is scheduled to begin at 10 am on Saturday, July 4. **The line-up will begin at 8:30 and it is first come first served.**

The front of the line-up will be at the football field by Fremont Middle School (Church Ave). Participants will line up on the East side of Church Avenue, along the fence. The line-up will then proceed on West 5th St, in front of Fremont Elementary School.

Please use Washington Ave. or Lincoln Ave. to access the line-up. Church Ave will not allow line-up access. Please look at map for reference.

If you are planning to leave the parade before the water fight, you will need to turn left at Pikes Peak and Main Street (the stop light in the middle of the parade route). Those who are going to brave the battle will continue East on Main Street.

If you have any questions before Wednesday, please email Aubrey at loosearrow97@gmail.com or Nicole at nphillips@florencecolorado.org . If you have questions during the line-up, Aubrey and Nicole will be actively assisting the participants.
